

Information Disclosure and Transparency

The Company places importance on the disclosure of information with accuracy, completeness, transparency, and equality for financial statements and general information, and also other information that would impact the Company's share price. To ensure that investors and all other related parties have free access to the information, the Company publicises the information through different media channels such as website of The Stock Exchange of Thailand, Form 56-1, Annual Report, and at the Annual General Meeting of shareholders. Moreover, the Company limits such persons who can access to important financial information and operation result so as to prevent any leakage of information that is sensitive with the share price.

The Board of Directors has appointed the Chief Financial Officer and the executive from the Investor Relations to provide information to public as they are appropriate personnel of such duty and have understanding in the Company's business, objectives, goals, and value and are capable of good communication to the public.

In addition, the Company's information which has been reported to The Stock Exchange of Thailand, shareholders and investors, will be publicised in both Thai and English on the Company's website (www.sansiri.com). This is another communication channel which is very timely and provides an easy access to the users.

The key information of the Company consists of financial statements and other non-financial information in accordance with the regulations of The Securities and Exchange Commission, and The Stock Exchange of Thailand. The Company's financial statements which have been reported to The Stock Exchange of Thailand, were verified and examined by the Company's auditor and were approved by the Board of Directors, who is responsible for the consolidated financial statements of the Company and its subsidiaries and the financial information that appears in the Annual Report. The financial statements are prepared according to accounting principles generally accepted in Thailand with proper accounting policies and estimation. The aforementioned statements disclose all significant information related to them in the Notes to the Financial Statements. Furthermore, the Board of Directors has instituted an effective system of internal controls to ensure with reasonable certainty that all accounts are accurate, complete, and adequate for the

purpose of maintaining the Company's assets. They must also identify weak points vulnerable to significant occurrences of fraud and dishonest business practices. For this reason, the Board of Directors has appointed the Audit Committee consisting of non-executive directors to examine the quality of the Company's financial reports and system of internal controls. Their opinions in this regard are compiled in the Report of the Audit Committee, which appears in the Annual Report and Form 56-1.

The Company informs directors and executives to acknowledge the laws and regulations of The Securities and Exchange Commission, Thailand (SEC) which prescribed that directors and executives has the duty, under Section 59 of Securities And Exchange Act, B.E. 2535 (1992), to report of change in securities holding the report must be filed with the SEC within 3 business days from the date of purchase, sale, transfer, or acceptance of transfer of securities. Such person also needs to inform Company Secretary to record such change and summarise the number of securities on each person's securities holding.
